

# ProEZ Gel™

## PRE-TREATMENT SPRAY

Improve Instrument Pre-Treatment Processes  
Fulfills AAMI and AORN Recommendations

# 3 EASY STEPS

FOR BETTER, FASTER CLEANING  
WITH LESS WASTE

1  
Open soiled instruments and place on tray.

2  
Unlock cap by turning counterclockwise.  
Start dispensing by pressing button down with fingertip.

3  
Use sweeping motion to thoroughly wet instruments. Lift finger when done.  
Instruments are now ready for transport.
